

Kindergarten Registration

Children who will be five years of age before September 2, 2023 are about to embark on a wonderful, exciting adventure. At this time, we are conducting a survey of our school community to locate our incoming kindergarten students.

If you have a child eligible for kindergarten, would you complete the following information and **return it to Plain City Elementary by Tuesday, February 28, 2023.**

Child's Legal Name (first, middle, last) **as it appears on the birth certificate**

Father's Full Name

Mother's Full Name

Street Address

City

Zip Code

Parent/Guardian **Email Address**

Cell and/or Home Number

Child's Birth Date

Male

Female

Later on, you will be notified of the Kindergarten registration date. At that time, Weber School District **requires** a student registration form, proof of residency (2), and a birth certificate (bearing a seal). We **request** a dental and physical examination. The State requires proof of immunization for all children entering kindergarten. You will receive these forms with the announcement of the Kindergarten Registration date.

We look forward to meeting you and our in-coming kindergarten students soon. If you know of a child who might be missed in this survey, please ask the family to notify the school.
