Dear Parents,

Do you want to have greater input as to how we use our resources (people, funds, and time) or greater insight into the vision and direction of Plain City Elementary? Do you want to take a more active role in our school community? Then join our Community Council where parents, staff, and other community members work together to make this the best school possible for our children.

Here are some facts about the School Community Council:

- The Council is made up of parents, teachers, and the school principal
- The school receives an annual dividend from the school trust lands and our council decides how these funds will be used.
- Member terms are for two years (and they can be re-elected three times)
- Members are responsible for developing the School Improvement Plan, School LAND Trust Plan, Child Access Routing Plan, Reading Achievement etc.
- Council members meet 4-5 times during the school year

If you are interested in getting involved with the Community Council, please fill in the information below and return to the office by **September 7th.** Your name will be added to our ballot and voting will take place during the week of September 10-14, 2018.
