

Community Council Agenda Minutes  
December 3, 2015

In attendance:

Becky Cannon

Angie Fisher

Quinn Karlinsey

Kari Breeding

Monica Hanks

Welcome by Becky Cannon.

Minutes read by Angie Fisher

School business given by Quinn Karlinsey. Jamie Costley voted onto the Community Council. PLC conference (through Solution Tree) '100% worth it'. School is revamping PLC's. Final plan for trust lands completed. Health, Tech, and Writing goals were met 100% (basically attendance). Math and Reading goals reported.

Budget is \$54,000 coming into 2015 school year. Need to subtract off salaries (including benefits) and conference. Technology funds to cover wifi hubs which will be \$6400. School is also receiving 3<sup>rd</sup> set of Chrome books in 3-4 weeks from grant.

Kids Camp (Tech/Art/Science) possibly to be held at PCE in summer.

Discussed continuing Gifted and Talented before school program.

Update on crosswalk on 2700 N from Becky Cannon. Crosswalk is still in limbo because this is a state road. Questioning who will pay for light.

Next mtg Feb 4. We will start looking at goals for next year. Possibly condense trust land plan and find goals resulting in concrete data.

Dismissed at 12:17 pm.
